NOTICE TO VOTERS

To The Voters and Citizens of The Town of Appomattox.

On Thursday, April 4th, I shall be a candidate for the office of Mayor of The Town of Appomattox, in the election which will be held June 11th. At the time I withdrew as a candidate for The Town Council.

Having served on The Town Council for a period of six years, I feel that I have some idea of the problems that confront the Mayor and The Town Council. I don't say that I can work or have the answer to all of the problems, but I do say that I am willing to work conscientiously to help find a solution to any problem that arises.

I would like to state here and now that I have no greed in my heart, or ideas in my mind that I want anyone or anybody. Should I be elected, the only promise that I can make to you is that I promise to carry out the duties of the Office of Mayor to the best of my ability.

I do hope that every eligible voter will make a special effort to cast their vote in this election.

After careful consideration, if you feel that you can support me and cast your vote for me, it will be greatly appreciated and long remembered.

If for any reason there is any question in your mind on my views, I would welcome a chance to talk with you.

Your friend,
Charles Thomas Moses, Jr.

IN MEMORIAM

IN MEMORIAM
In loving memory of my dear father, Mr. Benjamin M. Ferguson, who passed away six years ago, April 9, 1951.

Six years have passed dear father.
Since God called you home;
To be with Him in heaven,
Around the snow white throne.
Tis sad to part with those we love,
While here on earth we stay,
But then a brighter thought comes,
We will meet again some day.

Some say time heals all sorrows,
And helps you to forget,
But time has only proven to me,
How much I miss you yet.
—Daughter: Ethel F. Paulette.

IN MEMORIAM
In loving memory of my father, Aurelious A. Baldwin, who departed this life 10 years ago, April 12.

It was on a Saturday,
I will never forget the day,
When an angel came and
Took my father away.
The Golden Gates were open,
A gentle voice said, come,
And with farewells unspoken,
He gently entered home.
Though God has him in His keeping,
I will have him in my heart.
—Sadly missed by
Daughter.

Pageant Will Select Miss Appomattox

The eight lovely Appomattox beauties seeking the local beauty title and a chance to win the Miss Virginia crown will model high-style resortwear in the swim suit competition which will be a part of the judging in the high school auditorium Friday evening, April 26.

America's most famous designers have prepared the collection of swim suits which will be worn by the entrants as they appear before the pageant judges, all through the courtesy of a Lynchburg Department store. The contestants will soon be fitted in the swim suits and beach wear of their choice, and the pageant audience will have an opportunity to see exactly what the well-groomed beach beauty will be wearing this summer.

The event is being co-sponsored by the Appomattox Junior Woman's Club and the Appomattox County Junior Chamber of Commerce.

Another phase of the contest will be the modeling of the latest fashions in evening wear. The evening dresses have been made available through the courtesy of another Lynchburg Department Store.

Wool Growers Face Deadline

Wool and lamb producers must file applications for payment under the 1956 wool incentive payment program not later than April 30, Chairman C. D. Lewis of the Appomattox County Agricultural Stabilization and Conservation Committee, has announced. The applications must be filed at the County ASC office. Payments under the 1956 program will be made on marketing of wool and lambs completed between April 1, 1956, and March 31, 1957.

"Completion of marketings," the chairman explains, means that the title of the wool or lambs must have passed from the seller to the buyer. If any part of the sale—such as price, weight, or yield—needed to determine the purchase price is not completed within the dates mentioned above, the sale will not be considered as eligible for submission under the 1956 program. Sales made after March 31 will be eligible under the 1957 program, which runs from April 1 of this year through March 31, 1958.

In applying for payments, producers must supply documents showing information which will be given on lamb sto encourage the normal marketing of lambs with the wool crop. Final payments under the program were made last summer on 1955-56 marketings. Nationally, these payments total approximately $37.5 million.

Wool incentive payments are authorized by the National Wool Act of 1954 to stimulate increased production of wool. Payments are made

NEW BOOK IN THE COUNTY LIBRARY

The Philadelphian, by Richard Powell.

This is a big novel covering four generations of a Philadelphia family. It begins with an untutored Irish immigrant girl in 1857, and ends with her great grandson — a successful Philadelphia lawyer — astride the very top of the social ladder. But more than a family saga, this novel is a minute examination of the mores and customs of a great city. It has been said that Philadelphia is a state of mind and if so, then Mr. Powell is here the psychoanalyst peeling away the layers of the conscious and subconscious and laying bare the innermost soul of the city. This is not however a social study but it does truthfully mirror a segment of life—just as all good novels do. It is a book which has a great deal to say but is first and foremost a whacking good story.

4-H Club Meeting

The Hebron Community 4-H Club will meet next Monday at Stonewall Community Center.

PROCLAMATION

I hereby proclaim the Week of April 22nd through April 29th as CLEAN-UP WEEK for Appomattox. I earnestly solocit every citizen and property owner to cooperate in this campaign. A little effort from everyone can produce gigantic results. Won't you do your part? The Town truck and men stand ready to assist in every way possible. This year the 350th Anniversary of the birth of our nation will attract many tourists to Virginia and Appomattox. Let's make and keep ours a clean Town..

Respectfully,
Richard D. Robinson, Mayor

Road Deaths Match 1957

Richmond, Va.- Colonel C. W. Woodson, Jr., Superintendent of State Police and chairman of the Governor's Highway Safety Committee, today announced that Virginia's traffic deaths for the first three months of 1957 ran almost neck and neck with those of the first quarter of 1956.

Deaths for the 1957 period numbered 173 while those for that of 1956 were 170. Colonel Woodson, however, was concerned over an alarming rise in pedestrian fatalities of from 28 in 1956 to 48 this year. The typical victim, he noted, was an elderly person attempting to cross a rural highway in darkness.

Deaths of military personnel fell from 25 to 11 and crashes in which there were one person died were listed at 14 for both periods. "Unfortunately," said Colonel Woodson, "those for 1957 killed 40 people while the 1956 ones were responsible for but 33 deaths. In this connection, bad luck was a big element as the same driver error causing a fatal crash can kill as many people as happen to occupy the interior of cars but do not contribute to the tragedy."

Pointing out that he was in no manner attempting to minimize the seriousness of 173 deaths in three months, Colonel Woodson further stated that there was a rise of about 6 per cent in traffic volumes. "It shows some progress when we can just about hold the line in the face of this, but it is not enough," he added. "The situation is not going to be brought under control until every citizen of the Commonwealth realizes that he is in fact his brother's keeper and that improper driving is not in keeping with our standards of social behavior."

An abnormally high number of deaths in January saw the toll rise to 70 against the 49 of January, 1956. Ground was gained in February when deaths were held to 50 —a substantia lreduction of the 69 of 1956. March, he concluded, was just about even with 52 for 1956 and 54 for 1957.

JAYCEES ADD NEW MEMBERS

At the regular monthly meeting of the Appomattox County Junior Chamber of Commerce on Monday night, eleven new members were inducted into the club. This climaxed a two-month membership drive in which fourteen were approved for membership. The eleven received were: Aubrey Johnson, Jack Layne, Charles Addington, Bill Jamerson, Robert Trent, Dick Wingfield, James Franklin, Hugh Mitchell, E. M. Drinkard, James Gowin, and Joseph Lewis. The winner of the drive was Lloyd Bryant, who was responsible for eight of the above named becoming members.

Garden Club Met Monday

The April meeting of the Appomattox Garden Club will be held Monday night, April 22, at 7:30, in the Elementary School cafeteria.

Members are urged to be present to complete plans for the Spring Flower Show, "Virginia Traditions," which will be staged May 4 and 5.

1. Mass arrangement using tulips or any spring flowers, for a drop-leaf table.

2. An arrangement of flowers, fruit or vegetables for the kitchen table.

Horticulture: Any specimen flower, shrub or plant, or collection of same.

A buffet supper had been scheduled for this meeting, but it has been postponed due to the preparations for the flower show.

The music will be furnished by members of the local church choirs in the community, under the direction of Mr. John Hall.

Red Cross Extends Fund Raising Drive

The Appomattox County Chapter is short about $900.00 of its $2,300 goal in the 1957 Red Cross fund campaign.

Since there have been a large number of disasters in the last few years all reserve funds, local and national, have been used. So, it is very urgent that this year's quota be met.

Unless additional funds are donated in the county the blood program may have to be discontinued. Last year this county used approximately 150 pints of blood. This alone was a savings to the people who needed blood in dollars of approximately $3,750.00 plus availability when needed.

It is sincerely hoped that the public will consider this program and those who have not contributed are asked to send contributions to Mrs. Mary S. Hudson, Fund Treasurer, care The Bank of Appomattox, Appomattox, Va.

SOFTBALL LEAGUE NOW COMPLETE

Organization of the Appomattox Softball League has been completed, with the entry of the Junior Chamber of Commerce as the sixth team. Others already signed are: Oakville, Concord, Transco, Appomattox Garment Co., and Simpson's.

Play will begin next month.

LOCAL F. F. A. BOY HAS OUTSTANDING FORESTRY RECORD

Kinckle Martin, Appomattox High School junior and Sentinel of the Robert E. Lee F. F. A. Chapter, is pushing a vigorous forestry program on his home farm. Beginning as a freshman in the Pamplin High School, Kinckle became interested in forestry and started his forestry work by planting out 2000 pine seedlings that first year. This gave him a two acre forestry enterprise in his freshman year. In addition to planting seedlings he also cut firewood from his forestry plot in a way to improve it.

Kinckle's interest continued his second year. As a sophomore, he carried an additional 5 acres of forestry. He planted 5000 more pines and thined somme of the woodland by cutting out fencposts and firewood. Martin's conservation interest also included the conservation of wildlife. Wildlife is helped by the proper management of woodland areas. To further aid in encouraging wildlife on his home farm, Martin last year planted eight feed patches for winter feeding of birds and turkeys.

Martin's increased interest during his junior year is shown by his enlarged forestry activities. He continued to reforest by planting an additional 7000 pine seedlings.He is carrying 14 acres of forestry enterprises to manage and care for. He is poisoning undesirable hardwoods to keep them from shading and killing the young pines he has set out. He has constructed fire lanes through his forestry projects to be better prepared to protect the growing timber.

In other activities Kinckle has helped develop a Chapter Forestry exhibit which was used as part of an F. F. A. Week exhibit. He has helped distribute forestry and "Plant More Trees" literature to help promote good forestry in Virginia. He served as a member of the F. F. A. forestry judging team this year. He is planting more game feed patches.

4-H CLUB MEETING

Mrs. Thelma Martin's March 4-H Club meeting was held March 14. The president called the meeting to order. The 4-H pledge was repeated. Mr. Smith showed how to give a demonstration.

The April meeting was held on April 15. At this time Mr. Smith showed a movie on 4-H work.

General Curtis E. LeMay, commander of the Strategic Air Command, was named Vice Chief of Staff of the Air Force.

At a meeting of the Appomattox County Jamestown Festival Year Committee on Tuesday, final plans were perfected for what should be one of the outstanding events of the entire year here. The committee worked out details of an Appomattox County Day to be observed on Sunday, May 5.

Under the overall chairmanship of Mrs. Frank F. Carr, a tremendous amount of organizational work has already been done for this day.

Featured will be a county-wide union religious service, outdoors, at Old Appomattox Court House at 11:45 A. M. This service will feature the theme of Peace, which is so generally associated with Appomattox. Dr. Twyman Williams, pastor of the Appomattox Court House Presbyterian Church, will bring the sermon for this service. Combined choirs from all county churches will render the music.

Most county churches are moving up hour of their own services that Sunday morning, so that the congregations will have time to get to the Old Court House in time for the 11:45 service. The ministers of the county are co-operating in this service.

Since all churches in the county do not have services on the same schedule, it is felt that the hour selected will enable most worshipers to attend the county service.

Chairs to accomodate upwards of 1,000 will be provided. In event of rain, the service will be held at Liberty Baptist Church at 11:45.

Twenty-two county organizations have already been assigned parts in making this a truly significant day. Mrs. Carr has set up the contributions to be made by these organizations, and their activity will be detailed in a later issue.

The Garden Club of Appomattox will present its Spring Flower Show, beginning at 3:30 Sunday afternoon, May 5, in the Grey Cabin at the Old Court House.

Mrs. Charles Thomas Moses, Jr., is chairman for the show, which will use the theme: "Virginia Traditions." The show will bring out five major traditions of Virginia, in 18 classes of arrangements.

The Junior Woman's Club members will act as hostesses, dressed in period costumes to add color to the occasion.
